Apprentice Chefs WANTED NOW!

***WPC Group are specialists in the employment and mentoring of Apprentices
We have been in the business for 25 years!***

Skillink is an exciting new initiative, funded by the Australian Government, aimed at increasing the number people taking up Cookery Apprenticeships in the Hospitality Industry.

There is a large skills shortage, and we are working with the Hospitality Industry to help them find Apprentice Chefs.

Skillink will work with schools, agencies, TAFE and Job Networks, with a focus on recruiting apprentices from the **Western Region** of Melbourne.

We want to ensure that apprentices successfully complete their apprenticeship and WPC Group will mentor and support them to ensure this happens.

Our approach is based on placing the right person in the right position.

If you have any prospective Apprentice Chefs with a demonstrated interest in cookery, please call us.
